Welcome to Bonnie Doon Golf Club

Sydney's premier corporate golf and charity golf destination. Our championship group one golf course is currently being redesigned by renowned course architect Michael Clayton and 2006 US Open Champion Geoff Ogilvy. This redesign, scheduled for completion in March 2012 presents a unique opportunity for your organisation to be amongst the first to experience what is set to become one of Sydney's premier golf facilities.

Whether you are planning an intimate day for a small group or a large day for a company or charity, the dedicated team at Bonnie Doon Golf Club will be on hand every step of the way to ensure your event exceeds all expectations. From our award winning caterers to our passionate team of golf professionals, we promise your day will long be remembered by you and your guests.

History

Founded in 1897, Bonnie Doon is Sydney's third oldest golf club and is located only 15 minutes from the Sydney CBD and only 5 minutes from Sydney International Airport, making it the perfect golfing location.

Bonnie Doon's par 71 championship course is a stern test of golf for players of all standards. The open links style layout is deceptively difficult. Though not overly long

in comparison, the strength of the course lies in its strong par 4's, slick greens – many with pronounced undulations – have long been recognized as among the best putting surfaces in NSW. The elevated tees and greens which have sweeping views of the city, are key features of the course design, which emphasizes the rugged natural beauty of the surrounding landscape.
